

We're all in this Together

Partnering to Build Trust in Agriculture.

Public Trust

Doing the
Right Thing

Proving It

Building
Awareness

Our Mission

“Provide leadership and enable stakeholders to build awareness about what we do in agriculture, and why we do it.”

Engagement

Empower stakeholders to engage in strategic efforts to build awareness.

Enterprise

Seek complementary government policies, programs and messaging, both provincially and nationally.

Education

Partner with industry and education stakeholders to provide enlightening experiences.

CANADIAN AGRICULTURAL PARTNERSHIP

Innovate. Grow. Prosper.

Agriculture Awareness

Leadership Development

Farm Safety

Industry Organization
Development

Thank You
